

Vessel Compliance Form

2022 - 2025

Swan Yacht Club Inc

Vessel Safety Compliance Report

Principle Owner: Membership No: Vessel Name / Registration No: Pen Number
..... /..... /.....

Disclaimer:

This Vessel Safety Compliance is a prerequisite for the mooring and slipping of vessels within the confines of the Swan Yacht Club Inc Marine Area Water Lease and Slipping Facilities. It is the vessel owner's responsibility to ensure that the vessel complies with all relevant state and federal regulations and standards. Confirmation of compliance with SYC Inc requirements does not infer compliance with those regulations or standards.

Note:

The Compliance Inspection Officer's *only* responsibility is to check for vessel compliance through visual and basic operational observations e.g. observe working bilge pumps etc. The obligation is on the owner to demonstrate to the compliance officer that the relevant item is operational or compliant.
